Dear Parents/Guardians **AND** Year 10 Geography students,

As the Geography GCSE was new in September 2016, the revision guides have been slow coming to print. However, there are now a number of guides available and the Uffculme Geography department strongly advise every student to have access to a revision guide and workbook to use during the two year GCSE course. We recommend the Pearson publication.

- ✓ Closely matched to the AQA (9-1) specification.
- ✓ The one topic-per-page format provides hassle-free revision for students with no lengthy set-up time and no complex revision concepts.
- ✓ The Revision Guides are written with students in mind - in an informal voice that talks directly without patronising.
- ✓ The Revision Workbooks provide extensive practice, building students' confidence from guided questions to unguided questions and onto practice exam papers.

The Pearson publication revision guides and workbook have a RRP of £5.99 each, however, if they are ordered through the school, we can offer them at £2.50 each. If you would like to purchase one or both of these publications, please pay through ParentPay or return the reply slip below with your payment to the **Finance Office** by **20th October**. If your child receives pupil premium, then just tick the box below and return to the finance office.

Yours sincerely
