Dear Parent / Carer

Healthy Eating Reward Points

On 6th January 2016 we will be launching a new initiative to promote healthy eating in school and to encourage pupils to make sensible choices when buying food at break or lunch. The Reward Points Scheme will be open to all students in Years 7, 8, 9 & 10 who pay by fob.

Each item on the menu will be labelled with either a Gold, Green, Amber or Red star to denote either its nutritional value or its contribution towards a balanced meal. Pupils paying by fob will be awarded points for each single item or group of items they purchase depending on the colour star.

Gold Star	-	20 Points
Green Star	-	15 Points
Amber Star	-	5 or 10 Points
Red Star	-	0 Points

This initiative will run through until the end of term. The student with the most points will win a £20 voucher and the next 30 highest points holders will be entered into a prize draw to win a £10 voucher. Both prizes have been donated by our suppliers. This scheme can only be administered through the fob payment system so please encourage your children to pay by fob rather than by cash so that they can participate in the scheme.

Yours sincerely

Tony Aspden
School Business Manager
