

21 September 2021

Dear Parent/Carer,

On September 28 from 6 to 7pm we are holding a session for parents and carers focussing on supporting your child with independent learning, revision and exam preparation. It is open to all parents and carers of students in Year 10 and 11 and will take place in the Venue.

The event is being led by MADE, an external provider whose ethos is based on 'Making Exams Easy' by giving students the tools and strategies to achieve.

The focus of the session is to:

- Introduce parents to the benefits and practice of revision.
- Enable parents to monitor the effectiveness of their child's revision.
- Help parents support their children in a non-confrontational manner.
- Assist parents in raising their children's motivation and commitment.
- Introduce parents to information condensing techniques.
- Help parents create a suitable studying environment at home.
- Introduce parents to an effective revision and review schedule.

In addition to the above session, we have also contacted our local post-16 establishments as well as apprenticeship providers, and there is an opportunity for you to gain more information about the different opportunities available for your child after they leave us. They will be available with information and for questions in the dining hall from 5.30pm onwards.

If you would like to attend, please complete this [electronic booking form](#) by Monday 27 September. Please indicate the number of seats you require – the parent session will be offered on a first come first served basis. Please note this session is for *parents only* however there will be an opportunity earlier in the day for your child to sign up for a MADE session (please see separate letter). You can book for both sessions on the same form.

Yours sincerely

Mrs Reed
Head of Personal Development
