

21 September 2021

Dear student,

On Tuesday 28 September from 3.45 to 4.45pm we are offering students in Year 10 and 11 the opportunity to attend a revision strategy session with an external specialist company called MADE. On the same day from 6pm we are holding a session with the same company for parents on how to support you at home with your revision. The session after school is open to all students in Year 10 and 11 and will take place in the Venue.

The event is being led by MADE, an external provider whose ethos is based on 'Making Exams Easy' by giving students the tools and strategies to achieve. The focus of the session for students is to:

- Motivate yourself on how to revise.
- Analyse your performance and prioritise your efforts.
- Condense information and create cue cards.
- Use mnemonic and spatial memory techniques.
- Use spaced learning strategies to beat procrastination.
- Increase productivity and enable knowledge mastery.

If you would like to attend, please talk to your parents/carers and complete the online booking form sent to them via email by no later than **Monday 27 September**. They have been invited to attend an evening session for parents.

Yours sincerely

**Mrs Reed**
