Dear Parent,

Ten Tors Meals

As you are aware from the Ten Tors kit list, your child will need to provide suitable food for the training walks and for the event itself. For a two day session, the requirements are:

- A packed lunch for each day
- A hot evening meal and hot pudding
- A hot breakfast
- Emergency rations

We have had a training session about this where we explained to the walkers exactly what is required.

For the hot food, the simplest, lightest and quickest solution is to take freeze dried meals that just require hot water to be added. We have found one particular supplier who can supply good quality meals at a very competitive price.

The make of the food is Blå Band – an example is shown in the picture above. This can be purchased from a range of suppliers but we are planning on putting in a bulk order. We have been able to negotiate a reduced price with the main meals costing £4.00 and puddings & breakfasts costing £3.60. The options are shown on the attached order form.

If you would like to buy any of these meals through school, there are two ways to place your order:

1. Our **preferred method of payment is ParentPay**. Please logon to <http://www.parentpay.com> using your username and password to make payment. Please make sure that you clearly explain which meals you are ordering in the text box that appears.
2. Alternatively please complete the attached order form and return it to the Finance Office with payment. Cheques should be made payable to Uffculme School.

Whichever method you chose make sure that the order is placed by the end of Thursday 25th January. We will be placing the order that evening to ensure that the food arrives in time for the first camp on Friday 2nd February.

We have four practice camps planned plus the Ten Tors event itself. This means that each walker should need 5 main meals and 10 breakfast/puddings. **There are of course other suitable options available. Please do not think that you are required to buy this style of meal or to buy through school!**

If you have any questions please do not hesitate to contact us.

Yours sincerely

The Ten Tors Challenge Team
