Parent Tutor Meetings

To allow for the meetings to take place, students will **finish the school day at 1:15pm to go home**. School buses have been arranged for that time to transport those students that use them, and students who walk or cycle back home will also be released at that time. We would ask that those parents/carers who collect their children by car, arrange for them to be **picked up by 2:00pm at the latest** so that staff can begin their meetings promptly.

Please remember to book your meeting before the system closes at **9am on Monday 29th November**.
