FEES

Lessons are usually given on an individual basis and cost £12.80 per lesson. Individual lessons are 25 minutes in length and rotate each week to avoid regular disruption to the same curriculum lessons. We also have a system for group lessons and these cost £5.15 for a 10 minute block per week. The organisation of the groups will be at the discretion of the instrumental tutor and consequently a group of 2 pupils will receive a weekly 20 minute session and a group of 3 pupils will receive a weekly 30 minute session. There will be no allowance for a 10 minute session. The cost of a group lesson is £51.50 per term.

Each academic year a total of 30 lessons will be allocated: 10 per term. A reminder will be sent before the preceding half-term with payment required **by the due date stated**. Lessons will start in the second week of the Autumn Term in September. Should you wish to terminate tuition at any point, a half-term's notice must be given **in writing to the Finance Office**.
