1. Value Statement – Core Beliefs

- The quality of learning, teaching and behaviour are inseparable issues and the responsibility of all staff;
- Poor behaviour cannot be tolerated as it is a denial of the right of students to learn and teachers to teach. To enable learning to take place preventative action is most effective, but where this fails, the school has clear, firm and intelligent strategies in place to help students manage their behaviour;
- Respect has to be given in order to be received. Parents and carers, students and teachers all need to operate in a culture of mutual regard;
- Consistency of approach and a collective responsibility for managing behaviour is likely to lead to high standards;
- In this school students behave well because of the positive ethos, climate for learning and excellent relationships between staff and students.

2. Legislation and Statutory Requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online

This policy complies with our funding agreement and articles of association.

5. Uffculme School Student Code of Conduct

Uffculme School will publish a Code of Conduct consisting of a small number of clear and concise principles that should guide the conduct of all the students at the school.

In adhering to the Code of Conduct students are taking responsibility for their own behaviour and ensuring that others can do the same.

These simple rules will be displayed in classrooms and prominently around the school and in student planners.

6. Rewards and Sanctions

a) Celebrating Achievement

Uffculme School has a range of appropriate range of rewards to celebrate the achievement of individual and groups of pupils. These include, but are not limited to:

- Praise
- Credit marks

- Certificates
- Letters and phone calls home
- Badges
- Special responsibilities

The range of rewards available to different year groups may vary. The range will be reviewed annually and updated as required.

b) Sanctions Protocol

Where possible it is most effective for staff to deal with behaviour concerns themselves and follow through sanctions swiftly and expediently. Students respond best to teachers who are seen to be fair, consistent and who make the consequences of actions clear prior to issuing sanctions.

It is impossible to match sanctions with misdemeanours but it is important that any punishment is seen as proportionate to the action leading to the sanction.

Where possible adults should seek to de-escalate problems that arise. Warnings should always be issued, where possible, to give students the chance to address the concern before a sanction is imposed.

Uffculme School has a range of lower, middle and higher order strategies to support students to manage their behaviour. These include, but are not limited to:

- A verbal reprimand
- Sending the pupil out of the class for a few minutes
- 'Time out' from the lesson
- Expecting work to be completed at home, or at break or lunchtime
- Detention at break or lunchtime, or after school
- Referring the pupil to a senior member of staff
- Letters or phone calls home to parents
- Putting a pupil 'on report'
- Agreeing a behaviour contract
- Internal exclusion

The range of sanctions will be annually reviewed by the Senior Leadership Team.

c) Internal Exclusions

An internal exclusion is one of the higher order sanctions which the school may use when deemed necessary for a range of serious breaches of discipline, or repeated, persistent lower level breaches of discipline.

If a student is to be internally excluded it must be sanctioned by a member of the senior leadership group. Work will be provided for students who have been internally excluded. A student may be placed in internal exclusion for any of the following reasons:

- Persistent disruptive behaviour
- Refusal to follow a reasonable request
- Failing to go to 'Time Out'
- Bullying
- Racist or homophobic abuse or similar abusive language against other protected characteristics.
- Fighting
- Theft
- Damaging property

This is not an exhaustive list and there may be other situations where the School makes the judgement that an internal exclusion is an appropriate sanction.

7. Exclusions

a) Decision to Exclude

Exclusion is a sanction used by the School and the decision to exclude a student will be taken in the following circumstances:

- In response to a serious breach or persistent breaches of the School's Behaviour Policy and;
- Where allowing the student to remain in the School would seriously harm the education or welfare of the student or others in the School.

The School seeks to reduce the number of incidents leading to exclusions by promoting a positive atmosphere of mutual respect and discipline.

Students may be excluded permanently or for one or more fixed periods of time up to a maximum of 45 days in one academic year.

It may sometimes in exceptional circumstances be appropriate to issue a further fixed-period exclusion following an initial fixed-period or to issue a permanent exclusion. These will be treated as fresh exclusion decisions and are subject to the same decision making and notification requirements as the original exclusion decision.

The School will follow the latest DfE statutory guidance regarding exclusions, in order to make sure that students are treated fairly and not discriminated against.

Exclusion, whether fixed-term or permanent, may be used for any of the following, all of which constitute examples of unacceptable conduct, and are infringements of the School's Behaviour Policy:

- Verbal abuse to a member of staff, to a student or other.
- Online abuse to a member of staff, to a student or other.
- Physical abuse to, or attack on a member of staff, on another student, or other.
- Bullying including cyber bullying
- Racist, sexist, homophobic or other discriminatory behaviour

- Indecent behaviour.
- Damage to property.
- Misuse of substances.
- Theft.
- Serious actual or threatened violence against another student, a members of staff or other.
- Sexual abuse, harassment or assault against another student, a members of staff or other
- Upskirting.
- Distributing images of a sexual nature.
- Misuse of mobile technology (including the filming of staff and students)
- Possession, misuse and supplying of illegal drugs.
- Carrying an offensive weapon.
- Arson.
- Persistent disruptive behaviour.
- Refusal to follow the instructions of senior members of staff
- Unacceptable behaviour which has previously been reported and for which School's sanctions and other interventions have not been successful in modifying the student's behaviour.
- Behaviour outside school likely to bring the School or the Academy Trust into disrepute.

This is not an exhaustive list and there may be other situations where the School makes the judgement that exclusion is an appropriate sanction.

Where a student has received multiple exclusions, or is approaching the legal limit of 45 school days of fixed period exclusion in an academic year, the Headteacher will consider whether exclusion is providing an effective sanction.

b) Permanent Exclusion

The decision to exclude a student permanently is a serious one. There are two main types of situation in which Permanent Exclusion may be considered:

- A final, formal step in a concerted process for dealing with disciplinary offences, following the use of a wide range of other strategies which have been used without success. It is an acknowledgement that all available strategies have been exhausted and is used as the last resort. Offences would include persistent and defiant misbehaviour, persistent bullying (including racist or homophobic bullying), repeated assaults on on other students, or repeated possession of an illegal drug on school premises.
- Where there are exceptional circumstances (such as a first or 'one off' offence) and the headteacher deems that the readmission of the student would seriously harm the education or welfare of the student or others in the School. Such circumstances might include:
 - Serious actual or threatened violence against another student or a member of staff or other
 - Sexual abuse, harassment or assault against another student or a member of staff or other.

- Supplying an illegal drug.
- Carrying an offensive weapon* (as defined in the Prevention of Crime Act 1953 as “any article made or adapted for causing injury to the person; or intended by the person having it with him for such use by him.”)
- Arson.

Again this is not an exhaustive list, however these instances indicate the severity of offences that might result in a permanent exclusion given the serious impact they have on the discipline and wellbeing of other students in the School and the need to keep safe the students and staff of the school. The School will consider police involvement for any of the above offences.

This policy links with the School’s Exclusion Policy, which should be read in conjunction with this Policy

8. Behaviour Management

a) Classroom Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Seek to develop a positive relationship with pupils

b) Use of Force

Teachers have the right to use reasonable force to control or restrain a student if this proves necessary to stop a pupil committing a criminal offence (or for younger students what would be a criminal offence), causing injury or damage to property, or prejudicing good order and discipline.

The school will record and report any ‘significant’ incidents where a member of staff has used force to control or restrain a student.

All permanent and temporary staff (including supply teachers) will be advised of this right.

c) Searching and Confiscation of Items

The following items are prohibited within all schools

- Knives or other weapons
- Unauthorised and illegal drugs (including alcohol)
- Tobacco and cigarette papers
- Vaping pens
- Stolen items
- Fireworks

- Pornographic images
- Any article that the member of staff reasonably suspects has been, or is likely to be, used to:
 - commit an offence, or
 - to cause personal injury, or
 - damage to property

The Headteacher and any other staff authorised member of staff have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils.

In addition to the list of prohibited items, the school has also banned the following items and has a similar right to search pupils or their possessions without consent for them:

- Chewing gum
- Aerosols
- Nail varnish
- Tippex or similar correcting fluid
- Matches and lighters
- Energy drinks
- Any tablets, pills and medicines (unless handed in to the office)
- Any item which could cause danger to anyone
- Skateboards, snakeboard etc
- Smart watches (with filming capabilities)

More generally school staff may also search a pupil for any items with their consent..

The school will confiscate any item which it deems harmful or detrimental to school discipline. Such items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching and confiscation](#).

d) Offsite Behaviour of Students

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school

e) Malicious Allegations by Students Against Staff

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been malicious, the school will discipline the pupil in accordance with this policy.

9. Staff Training in Positive Behaviour Management

Uffculme School will provide staff with appropriate training on managing behaviour, as part of their induction process. Behaviour management will also form part of our continuing professional development programmes.

10. Communication and Documentation

It is the responsibility of all staff dealing with behaviour that relevant and interested parties are kept informed and up to date. Staff should use their discretion to judge whether the issue needs documenting and who needs to know about it.

Minor misdemeanours do not need to be recorded but incidents of a more serious nature **MUST** be recorded even if no further action is required.

Parents will be informed in writing or telephone call in the case of the following:

- After school detention.
- Time Out.
- When a pupil is placed on report.
- Internal Exclusion.
- External Exclusion – a letter will be sent.

In addition tutors and heads of year will keep parents informed of ongoing concerns re attitude, behaviour, attendance, punctuality, quality of work and uniform.

a) Appropriate methods of communication:

- Telephone calls home.
- Email.
- Talking to parents at the end of the school day.
- Letter home.

b) Record keeping

It is vital that staff keep accurate records of communications and agreed actions with reference to managing behaviour.

Where colleagues communicate directly with parents and agree a course of action this should be shared with the Head of Year and/or a note made on the pupil's file.

11. Strategies to Support Vulnerable Children

Support for potentially vulnerable students will be coordinated through a weekly meeting of the staff charged with monitoring and maintaining student welfare.

The main functions of the meeting will be to:

- Maintain the school's register of vulnerable students.
- To review the provision which is in place to help support those students already on the student welfare register.
- To discuss new cases and appropriate actions to support students.
- To link together the working of various agencies who might be supporting a vulnerable young person.

Where the school maintains staff/centres to support vulnerable students they will publish details of this support and the means by which students are referred to them in a supplementary protocol to this Policy.

12. Strategies to support students displaying continuous disruptive behaviour

Where a student displays continuous disruptive behaviour in addition to applying any sanctions that may be appropriate for specific incidents we will also seek to fully explore possible causes for the behaviour and seek to identify what additional support or further assessment might be required by the student to help them become more settled in their behaviour. Such support can be categorised into the 4 broad areas of Assessment; Planning; Intervention; and Reviewing as follows:

a) **Assessment** – this may include, as appropriate:

- Reading and spelling screening
- Dyslexia Portfolio
- Speech and Language assessments
- Boxall assessment for SEMH needs
- Teacher feedback
- Progress updates
- Educational Psychologist assessments
- Paediatrician reports
- Lesson observations
- Specialist service reports

b) Planning – this may include, as appropriate:

- Meetings with the student and parent
