

Parents' Evening Online Booking System

Accessing the Booking System

This user guide is to help you book parents' evening appointments for your child. This should help streamline the booking of your appointments and enable you to see the appropriate teachers.

To access the system you will need a PIN number. This will be issued by the school. (You will be issued a separate PIN for each child.) You should keep this safe as you will need it for future parents' evenings.

To book appointments you will need to visit the school website at **www.uffculmeschool.net** and under the **PARENTS** menu, select **PARENTS EVENING**.

- At the login page provide your **title, full name, your child's full name and PIN number**.
- Add and confirm an **email address** if you have one, otherwise leave it blank.

The screenshot shows the login interface for the Parents' Evening System. It includes a header with the school name, a welcome message, and two main sections: 'Your Details' and 'Student's Details'. The 'Your Details' section has fields for Title (Mrs), First Name (Jane), Surname (Smith), Email (jane.smith@yahoos.com), and Confirm Email (jane.smith@yahoos.com). The 'Student's Details' section has fields for First Name (jane), Surname (smith), and Login Code (1234567). A green 'Login' button is at the bottom.

IMPORTANT

Please be aware that if you want to log back in at any time in the future to make changes, you must enter EXACTLY the same details.

It is strongly recommended that you make a note of these details in the space below:
