Care 4 Calais

Staff and students at Uffculme School have been affected this year by the plight of families from Afghanistan and other refugees looking for safety. As a result, we have registered to become a collection centre for the charity Care4Calais, which collects clothing for refugees in the UK and abroad. We are accepting donations now. Please see the list below for the most needed items. Donations can be dropped off at the front of school, to the right of reception. If you would also like to make a financial donation to help Afghan and other refugees this winter, please do so via <http://www.care4calais.org/>

Thank you for your support!

Draw to take place on Tuesday 14th December.

Kaitlin Trott and her pony Jonty are members of British Show-jumping.

From April – October 2021 they have been the most consistent British showjumping combination residing in South West England which has resulted in them being placed 1st in Bronze league. Kaitlin was awarded a medal for her efforts.

South West Water Polo held the 2021 Inter-county Championships recently plus a friendly Inter-regional competition at Millfield School in Street. **Tula Rimmer** (bottom right) was selected to represent Devon in both the under 15 girls category and the

under 17 girls category - in which she was the youngest player selected. She was also chosen to represent the South West in the under 14 girls category. The South West region covers all of; Gloucester, Dorset, Somerset, Devon and Cornwall. So, a huge achievement to be picked. Tula scored goals in all of her matches. Devon lost a very close game against Gloucester in the under 15 girls category but the under 17 girls won their game against Gloucester. The South-West girls team beat a team from the West Midlands to win their friendly.

On 5th December a team of Connor Heard, Kelsey Webber, Thalia Robertson and Tom Lear all took part in the 70cm showjumping at Kings Sedgemoor. They did really well and came 2nd as a team with Connor 6th individually.

Katie Chapman also competed as an individual in the 1m 10 and jumped a beautiful double clear to win the class and qualify for the finals at Hickstead (photo above of Thalia and Katie).

If your child has an achievement they would like to share with the school community on the bulletin, please send the details to:
