

18<sup>th</sup> June 2019

Dear Parent/Carer,

Some of the Year 10 students have the opportunity to continue on the Fit4Life course run within the PE department next year. This course is based around personal health and fitness and gives the students an opportunity to experience fitness activities that mirror what is on offer in external Fitness/Sports Centres. The aim is to encourage and equip them to continue with these activities when they leave school.

We are offering all students on this course the option of wearing PE kit which is specifically designed for the activities and will also be kit that they will feel confident wearing in a fitness setting away from school.

**The top needs to be ordered and paid for through the school and will cost £6.60.** (Please indicate below the size required.) Orders must be placed by Friday 5<sup>th</sup> July at 2.30pm.

The leggings can be purchased at any sports shop (Sports Direct proved to be the best last year) and need to be **three quarter length and completely plain black**. Most students last year bought USA PRO leggings at the cost of around £10-£15.

This new PE kit is not compulsory but we hope that most of the students selected to take part in the course will enjoy the chance to wear it.

Yours faithfully,

**Amanda Woodward**
