Dear Parent/Guardian & young walker

We have now had our final meeting and look forward to seeing you on **Saturday, 4th May.**

We are not providing transport on the day of the event as a matter of course, however we will be taking a minibus, so if you would like us to drive your child there, back or both, please email me. If I don't hear from you, I will assume that you are providing all transport for your child. (I would however highly recommend that you are there to see your child over the finish line as it is always a very proud moment.)

Your child's team name is: _____

They need to arrive at Dulverton Middle School for: _____

Their start time is: _____

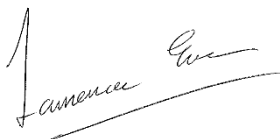

The 4 members of their team are:

1. _____
2. _____
3. _____
4. _____

Please read and take note of the attached information for supporters. I have also attached a set of competitor notes (which we have been through in our meeting) for your child to read through. These are also available at https://www.exmoor-rotary.org.uk/youth_chall.html.

If you have any questions or problems with transport, please email me at evel@uffculmeschool.net.

Yours sincerely,

Laurence Eve
