

July 2019

Dear Parent/Guardian,

Visit for students to the Plymouth National Marine Aquarium – Thursday 19 September 2019

I would like to inform you of an opportunity for your child to take part in STEMfest at the National Marine Aquarium in Plymouth on 19 September. This is one of Plymouth’s biggest annual STEM events and offers pupils the chance to participate in industry linked STEM workshops and unforgettable learning experiences.

This year, the Aquarium is teaming up with Princess Yachts to bring another of Plymouth’s leading STEM industries into the spotlight. As a special addition, participating schools will be presented with a flatpack rowing boat kit to take back to school and build, then personalise! Princess Yachts will also allocate our school a STEM ambassador who will visit the children 3 times during the construction of the boat, offering expert support and guidance. I am sure you will agree that this is a unique and exciting opportunity.

To cover the cost of travel and tickets we are asking for a voluntary contribution of £10.50 per student. If you would like your child to go on this trip, please pay using ParentPay or by returning the slip below to the Finance Office by 2.30pm on Friday 19 July 2019. I appreciate September seems a while away, but it is important we get numbers finalised before we break for the Summer holidays. The final timings of the day will be confirmed in September. We expect this to be a very popular trip and places are limited to 55 students.

Yours sincerely,

Kate Reed
