

March 2019

Dear Parent/Guardian,

Surfing Croyde Bay

After four very successful years, we are going to continue running trips this Summer Term with Surfing Croyde Bay surf school in Croyde. We have four dates booked in before the summer holidays, Fridays 3rd May, 24th May, 7th June and Thursday 27th June.

Required equipment (wetsuit & board) is provided by the surf school but students will need their own towel and swimwear. The cost (£30 per session) covers transport and qualified instructors – students may like to bring some extra money for post-surf food/drink. We will head up to Croyde in the school minibus leaving school at 3:45pm, will spend a few hours with the surf school on the beach and return to school by 9:30pm – a great end to the week.

In the unlikely event of no swell but high tide, there is an option that the surf school can run a coastering session for us instead. Please indicate through ParentPay whether you would be happy with this alternative should the waves not appear on the day.

Due to the high demand for this trip in previous years we have to operate a first come first served allocation so payment can only be made through ParentPay, not at the Finance Office. **Booking will open on at 12noon on Monday 1st April and close at 2.30pm on Friday 26th April.**

Initially students can only book to go on one session – if there are spare places after the payment deadline, they will be able to select to go surfing on other dates as well. Please ensure that you select the correct session as once booked, it will not be possible to change dates.

If we have to cancel a trip due to weather conditions then you will be notified beforehand and receive a full refund. We will not be able to offer refunds under other circumstances.

Yours sincerely,

Simon Osmond
Trip Leader
